## “FUNRAISING” CATALOG AND ORDER FORM

---

We are proud to introduce our “UniTee” tee-shirt collection that highlights the colors red, black and green -- colors that celebrate black culture, enrich our youth through education of our heritage, history and achievements, and connects the true spirit of a brilliant people. Us!

Our colors, combined with the words “**PRIDE**,” “**POWER**” and “**PURPOSE**,” empower those who wear and share them. We believe if we help our children find or define a greater sense of purpose, they will build pride, and create power that will ensure successful careers and future leaders.

A standard of the civil rights movement, the **Traditional RBG Sphere** is the most recognizable symbol of black unity.

The UniTee Design “Funraising Program” is a great way to educate our youth, support a worthy cause and build more unity in your community.

This is how it works: Each child (to be accompanied by an adult at all times) takes a product catalog and order forms to the homes and businesses in his or her community to spread Black unity, and to raise awareness about and monies for his or her cause. He or she shares with each resident and business owner how important it is to know about Black history, and the many achievements Black Americans have contributed to the building and betterment of this country.

Every customer who orders a shirt or shirts, should be given a UniTee Band as a token of appreciation for supporting this worthy cause, and as a wonderful reminder of this purchase. Each customer should also be told when to expect to receive his or her order.

Teachers should use the “Funraising Program” as an opportunity to share the significance of our colors and our culture with students, and empower them with **PRIDE**, **POWER** and **PURPOSE**. It is important our youth know where and what we as a people have been through, to better know what they can be and how far they can go!

The tree of black unity is growing every day.  
Let us now bear fruit to flourish our children.
